

SUBLOCADE™ (buprenorphine extended-release) BUY-AND-BILL PATHWAY

What is the buy-and-bill process?

The buy-and-bill process allows an HCP's office to purchase medication directly from a specialty distributor then bill the appropriate health insurance provider for the medication and administration fee.

STEPS TO BUY-AND-BILL

STEP 1: Establish an account

To start the buy-and-bill process, you must set up an account with a network specialty distributor. SUBLOCADE is available through a limited number of specialty distributors. Make sure that your distributor is authorized to provide SUBLOCADE and has it in stock.

STEP 2: Determine coverage

Conduct a benefit investigation to determine the patient's coverage for SUBLOCADE. Some payers may require a prior authorization (PA) for SUBLOCADE.

STEP 3: Order SUBLOCADE

Many specialty distributors offer online, email, and phone ordering.

INSUPPORT™ can provide contact information for network specialty distributors.

Enrollment is not necessary for a list of current network specialty distributors. For a list of network specialty distributors, see www.insupport.com.

INSUPPORT can research PA requirements and provide payer-specific PA forms. The healthcare professional's (HCP) office will complete the forms.

WARNING: RISK OF SERIOUS HARM OR DEATH WITH INTRAVENOUS ADMINISTRATION; SUBLOCADE RISK EVALUATION AND MITIGATION STRATEGY
