SUBLOCADE™ (buprenorphine extended-release)
SPECIALTY PHARMACY PATHWAY

What is a specialty pharmacy?
A pharmacy that handles and stores specialty products and dispenses them to an office for a specific patient.

**STEPS FOR USING SPECIALTY PHARMACY**

**STEP 1: Order SUBLOCADE**
Complete a referral for the chosen network specialty pharmacy. Fax the completed form with required signature(s), along with a valid prescription to the specialty pharmacy.

**STEP 2: Coverage determination**
The specialty pharmacy will determine coverage for the patient. The specialty pharmacy will provide the prior authorization (PA) form and provide information throughout the PA process.

**STEP 3: Copay collection**
The specialty pharmacy will contact the patient to collect the out of pocket costs or advise the patient of the cost which will be billed following the appointment.

*The INSUPPORT Copay Assistance Program is valid only for patients with private insurance who are prescribed SUBLOCADE for on-label use. Patients with government insurance are not eligible for the Copay Assistance Program, including, but not limited to, Medicare, Medicaid, Medigap, VA, DoD, TRICARE, CHAMPVA, or any other federally or state-funded government assisted program. Other restrictions apply. Visit insupport.com to view complete Terms & Conditions.*

†Copay assistance to eligible patients may not be sufficient to cover the entire cost of copay.

**WARNING: RISK OF SERIOUS HARM OR DEATH WITH INTRAVENOUS ADMINISTRATION; SUBLOCADE RISK EVALUATION AND MITIGATION STRATEGY**

- Serious harm or death could result if administered intravenously. SUBLOCADE forms a solid mass upon contact with body fluids and may cause occlusion, local tissue damage, and thrombo-embolic events, including life threatening pulmonary emboli, if administered intravenously.

- Because of the risk of serious harm or death that could result from intravenous self-administration, SUBLOCADE is only available through a restricted program called the SUBLOCADE REMS Program. Healthcare settings and pharmacies that order and dispense SUBLOCADE must be certified in this program and comply with the REMS requirements.

See accompanying full Prescribing Information, including BOXED WARNING or go to sublocade.com.
STEP 4: SUBLOCADE shipment
Once SUBLOCADE is approved for the patient, the specialty pharmacy will work with your office to coordinate shipment in conjunction with the patient's appointment.

STEP 5: Administer product
Refer to Full Prescribing Information, including Instruction for Use.

STEP 6: Submit claim
Following the administration of SUBLOCADE to the patient, submit a claim to the payer.

STEP 7: Refill prescription
If applicable, the specialty pharmacy will refill SUBLOCADE when appropriate and contact your office and the patient to coordinate the next shipment.

INSUPPORT can provide you with information on proper storage requirements based on the Prescribing Information for SUBLOCADE.‡

INSUPPORT can provide product-specific billing and coding information.

‡ There may be other storage requirements not addressed in the Prescribing Information. Please refer to state and federal regulations.

For more information or for a current list of network specialty pharmacies, call INSUPPORT at 844-INSPPRT (844-467-7778) or visit www.insupport.com.
