The INSUPPORT™ Copay Assistance Program*

For eligible patients enrolled in the INSUPPORT™ Copay Assistance Program, assistance with out-of-pocket SUBLOCADE costs may be available. The INSUPPORT™ Copay Assistance Program is not a form of insurance. See inside for more details on how the INSUPPORT™ Copay Assistance Program may be able to help.

WARNINGS AND PRECAUTIONS

Because of the serious risk of potential harm or death from self-injecting SUBLOCADE into a vein (intravenously), it is only available through a restricted program called the SUBLOCADE REMS Program.

- SUBLOCADE is not available in retail pharmacies.
- Your SUBLOCADE injection will only be given to you by a certified healthcare provider.

Please see accompanying Full Prescribing Information, including BOXED WARNING and Medication Guide, or go to SUBLOCADE.com.
